

SOUTH AFRICAN SERVICE RIFLE ASSOCIATION

Also referred to as SASRA

COMPETITORS EQUIPMENT

Competitors competing must use their own equipment (you can borrow equipment as long as you are in a different detail)

Each shooter shall have:

1.1 Rifle

Any Service rifle can be used.

1.2 Ammunition

Ammunition used must be of a type that is standard issue ball rounds in any given calibre, and the use of any match, target, (factory or reloaded) are acceptable. Soft point or hunting designated projectiles in some calibres may be used if approved.

Ammunition which, in the opinion of the Range Officer, is unsafe, or is prohibited for use by Range Standing Orders shall not be used (e.g. armour piercing, tracer)

1.3 Groundsheet

A ground sheet or shooting mat may be used for the protection of the competitor's clothing and/or equipment provided that it is not constructed or utilised in such a way as to provide artificial support for the competitor or his rifle.

1.4 Sling, Bipod, Rest

Two-point sling must be fitted.

The use of a Bipod bench rest or machine rest is not allowed.

1.5 Ear Protection

Ear protection is mandatory on all ranges. This is to protect shooter and range staff/spectator hearing and a minimum of Grade 4 earmuffs/plugs is recommended for this purpose.

1.6 Dress and Accessories

Clothing worn should be of a type normally described as street clothing or field clothing.

The clothing may be of a suitable robust construction for the purpose intended.

No military camouflage.

Wet weather clothing may be used.

Elbow and shoulder pads may be sewn onto or strapped to the outer garment but may not exceed 10 mm in thickness or be more extensive than is necessary to protect the elbow knees or shoulder area.

Full cover footwear must be worn at all time. Bare feet, sandals, etc., are not permitted on the firing line or in the butt's area.

Specialist target rifle shooting hats are not permitted.

Specialised shooting gloves or mitts are not permitted

1.7 Scopes and Optics

Any type of spotting scope may be used as long as it does not aid the shooter while shooting.

A maximum of 4x power scope is used for Service Class (as per International Service Rifle Associations).

For Open Class there is no limit to the scope.

1.8 Magazine

10 to 50 round Magazine can be used.

CLASSIFICATIONS OF SHOOTING CLASSES

All firearms and equipment used in competition shall be serviceable and safe.

- Service Class X (scope) and A (iron-sites)
